## THE KAWAIAHAO CHURCH.

### IMPRESSIVE SERVICES AT THE RE-OPENING YESTERDAY.

In Spite of the Weather There Was a Very Large Attendance—The Treasurer's Statement.

Kawaiahao church was beautifully decorated with flowers, ferns and palms on the occasion of its re-opening yesterday morning. An augmented choir, consisting of over forty voices, was present under the direction of Professor Berger, who played the organ.

The services commenced with the singing of an anthem by the choir, after which Rev. C. M. Hyde, D. D., offered a prayer. Then followed another anthem and the reading of a portion of the Scriptures by Rev. O. P. Emerson.

P. C. Jones, treasurer of the church, then read a report of receipts and expenditures in the rebuilding of the church, as follows: Total collections for account church repairs, \$11,673.65; total expenditures on repairs of church, \$11,419.94; balance on hand \$253.75. Electric light collections, \$675.15; electric light expenses, \$400; leaving a balance of \$275.15, which, added to the building fund balance of \$253.75, makes a total of \$528.90. The sum of \$275.51 was paid for lanai material, leaving a balance in hand of \$253.39.

A solo by Miss Nolte came next and Mr. Edward Bailey, one of the first missionaries to arrive here gave some interesting reminiscences of his early work. Rev. S. L. Desha then baptized three children, this ceremony being followed by a prayer of thanksgiving offered by Rev. Mr. Kapu of Wailuku. Rev. Hiram Bingham was called on and gave some recollections of the early history of the church and commented on the absence of many natives who ought to have been there. The sermon was preached by Rev. Stephen Desha of Hawaii and the services came to an end with the benediction pronounced by Rev. Hiram Bingham.

#### "Hawaii Ponoi."

#### SARATOGA.

Great Improvements Made to an Old Seaside Resort.

Although yesterday was a wet day in Honolulu there was considerably more sunshine than rain at Saratoga, the lovely Beach Grove resort, which has recently been so largely improved by Messrs. Reid and Carver. Everything about the place has been overhauled, new buildings added, and the rocks and coral removed from the shallow water, in order to make it an ideal bathing place. The water at Saratoga is always calm, so that there is positively no danger to persons who cannot swim. As an additional safeguard, a line will be run from point to

point, defining clearly the area inside which ladies with their children may wade and swim about free from the slightest danger.

A handsome lanai, a large and nicely furnished hall and some new bath houses and cottages are among the latest improvements. Probably the most attractive single feature to the tourist and visitor from abroad is the grass house, now occupied as a parlor. This is not a made-for-the-occasion affair, but a genuine native grass-house, built many years ago and occupied by natives up to a recent period. It contains many rare Hawaiian curios, and, although entirely built of grass, is strong, light, neat and well worth a trip of many miles to see. A few hundred feet from shore there is splendid deep water bathing.

Mr. Reid and Mr. Carver are model entertainers, using every means possible to make guests feel at home. Pleasant Mrs. Reid is certainly a most charming hostess. Pianos and other musical instruments are for the use of those who care to play them. The fishing is excellent, there being a large and well-stocked pond; fishing tackle and bait are furnished free to patrons. A few minutes is sufficient to catch a half dozen pounds of fat mullet. Going to Saratoga, one leaves the train at Bishop's switch, and the big blue and gold signs indicate the way. Take it all round, there is no place at Waikiki that excels Saratoga for attractiveness.

#### WELCOMING THE BISHOP.

List of Recruits He Brought for the Mission.

To receive the Bishop of Pano-polis at the Catholic cathedral on his return from abroad, which was reported in Saturday's paper, were the following clergy: Fathers Matthias, Raymond, Clement and Xavier of Oahu; Fathers Celestine, Paul, Victor and Bonaventura of Hawaii; Father James of Maui, and Fathers Emeran and Maximine of Kauai. Right Rev. Father Leonor was master of ceremonies, and with Father Sylvester met His Lordship at the steamer.

The Bishop entered the church followed by Fathers Pamphile, Sylvester and Aloys; Brothers Servian, Serapion, Alois and Silvian; Sisters Alexandrina, Constantina, Leocadia and James. As the party entered the cathedral choir, led by Father Valentine, sang the "Te Deum" and "Ecce Sacerdos." There was no celebration of the mass. After the service of song the Bishop addressed the vast congregation, conveying to the people the blessing of the Pope given the speaker personally at the Vatican.

Father Pamphile, who goes to Molokai, is a Doctor of Divinity and has been a college professor for twenty-five years. He was designated for the Molokai mission before his late brother, Father Damien, but being taken sick his brother was sent in his place. Father Aloys is still a student, but will soon be admitted to full priesthood. The Brothers who arrived with the Bishop go to Molokai to take care of the Boys' Home. The Sisters will engage in educational work at the Convent in Honolulu.

#### The Rainfall.

Up to 6 o'clock yesterday morning 60-100ths of an inch of rain fell, according to Curtis J. Lyons' rain gauge at Punahou. At 6 o'clock this morning the gauge showed an additional 59-100ths, or a total since Saturday of 1:9. From advices received it would appear that the recent kona materialized on the island of Maui. There was heavy thunder and lightning off to the southeast last night. The barometer is still low this morning. Mr. Lyons terms this as orthodox weather for Honolulu at this season of the year.

## CHANDLER PREDICTS WAR

### RUSSIA AS THE ALLY OF THE UNITED STATES.

Fighting Cannot Begin Too Soon to Suit the New Hampshire Statesman.

CONCORD (N.H.), October 28.—Senator Chandler predicts war with England in a leader in his paper, the Evening Monitor, tonight. He writes under the caption, "Our Coming War With England." Prediction and comments are in the following language:

"One—Some day war between the United States and England is inevitable.

"Two—It will arise on account of British disregard of our direct interests.

"Three—It will also be forced by British encroachment upon other nations all over the world.

"Four—It will be fought by the United States, having Russia as a European ally.

"Five—As a war, offensive on our part, it may not happen within twenty years; as a defensive war it may come sooner, and should be welcomed.

"Six—One sure result will be the capture and permanent acquisition of Canada by the United States."

This is signed "W. E. C."

This prediction about war Senator Chandler has frequently made since England began her fraudulent usurpations in Venezuela. In an interview to-night Mr. Chandler said: "England also proposes to seize from the United States a portion of Alaska. She is destroying independent governments in all parts of the globe. She treats American sentiment and remonstrances with insolence and defiance. For the vindication of the Monroe doctrine in the Western hemisphere and the protection of independent governments in the Eastern hemisphere and the islands of the ocean, it is necessary that the United States should prepare and go to war with England. It is a serious business, but it had better come now and be over than fifty years from now.

"England's commercial ships now swarm on every sea. We have almost none, except in our own coastwise traffic. Before we rehabilitate our mercantile marine, we had better settle our relations with the great land-grabbing nations, the foremost being England. We ought to define our position, and say if it is not assented to we shall fight to maintain it. It will take some time to prepare for an offensive war that can come none too soon. Let England begin.

"Russia will be our ally. She is a great absolute monarchy, and the United States the great republic of the world. But this is no question of interference in the internal affairs of nations. It is a question of the independence of small sovereign nations everywhere. Russia and the United States have no policy of colonization. The former needs and is entitled to a seaport in a warm region, of which England persistently deprives her, but she wants no more territory. The United States wants only the Sandwich islands and a foothold in the West Indies, both easily to be obtained in due time without adopting the English method of fraud and violence.

"Russia and the United States, the two non-colonizing great nations, are the hope of the small independent governments of both hemispheres. Together they can defy the world. They must and will restrain the brutality and bloody avarice of Great Britain.

Let this be understood at once, and let England strike the first blow if she chooses. Millions of men and muskets will over-run Canada, and England's commercial ships will be swept from the ocean. She cannot reach us to injure us except by sending iron-clads across the Atlantic to capture our harbors. Little comparative damage will be done, while the waters and land will soon see the ruin of the ships and the slaughter of the armies of the invader. Let England begin. We ought to begin if it is necessary to save to Venezuela the mouths of the Orinoco."

#### EX-QUEEN LILIUOKALANI.

False Report that She Will Leave Hawaii for Italy.

A dispatch to the London Standard from Vienna, dated October 29th, says that "ex-Queen Liliuokalani of Hawaii has purchased a site between Torbole and Malcesine, on Lake Garda, Italy, for the purpose of erecting a villa for a winter residence, and has also purchased the Castle Di Trianelli, in the Italian province of Udine, for a summer residence. The dispatch says that the ex-Queen will arrive in Austria in the autumn of 1896, after making a protracted stay in London."

Inquiry made by a BULLETIN reporter regarding the foregoing report elicits the information that there is not a word of truth in it. It is regarded as not impossible, however, that property may have been bought in Italy for residences for ex-Princess Kaiulani. That young lady could live in much more comfort there than in Hawaii on her income, and as she is in that part of the world—or was at the date of the dispatch quoted—accompanied by her father, the news may be correct in all save the name of the purchaser of the villa sites.

#### MR. YATMAN'S SERVICES.

Over Two Thousand Dollars Raised for the Y. M. C. A.

Mr. Yatman held five services yesterday, one at the Portuguese church, one at the Central Union and three in the Y. M. C. A. hall. His efforts to raise money towards paying off the \$8000 debt on the new addition to the Association building were very successful, the sum of \$2149.50 being contributed. Of this amount \$734.75 was raised at the women's services and \$1414.75 at the men's.

This evening Mr. Yatman will take for his subject "Hell," and for his final sermon tomorrow night, "The Pathways of Life."

#### THE ROAD RACE.

Sylvester Came in First and Made Very Good Time.

The five-mile road race of the Hawaiian Athletic Association came off on Saturday afternoon as announced and was won easily by Sylvester. A very large number of people congregated on Union Square to see the finish which, however, was very tame, as Sylvester came in eighteen seconds ahead of the rest, who, with the exception of Angus, crossed the string in the following order: H. Giles, T. King, E. Paris, A. Giles, H. Wilder, H. Espinda and P. Lishman. After the race some of the contestants who got spilled over during the race entered protests, but these were afterward withdrawn.

Sylvester's time was 13:30, which compares favorably with the time made in a similar race of the Garden City Cyclers at San Jose on October 27, when the race was won by F. L. Seybott in 14:22 with a handicap of 1:10. The record time over the East San Jose five-mile course was made in this race by Hardy Downing in 13:32.

## TUNEFUL BOYS FROM HOME.

### SOUZA IS NOT IN IT WITH OUR BOYS.

So Says R. W. Aylett—The Band Takes First Prize at the Texas Exhibition.

A letter received in this city by the last mail from R. W. Aylett, one of the members of the Hawaiian National Band, dated at Dallas, Texas, states that the band had been awarded the first prize in a band competition at the great exhibition at Dallas, Texas. The prize, which consisted of a gold and diamond badge, was presented to Prof. Libornio by the president of the exhibition in a public address, and it is valued at \$360. Following is a translation of a portion of Mr. Aylett's letter:

"This is the first chance I have to tell you of some interesting news. We have received the first prize for bands from the committee of the Texas exhibition at Dallas. We received this present with a speech by the president of the exhibition in which he said: 'This is presented to you on account of the cleverness of your instrumentalism and the sweet music of your band. It has pleased the committee to make you this present as a remembrance of this first day of November, by which you have also honored your birthplace.' This is my great news. That we have profited by our trip, for the first band in America, Souza's, has been pushed out of sight by the 'Keiki Hawaii.' Do not be afraid to show this in the newspapers."

Mr. Aylett evidently means that the band has vastly improved in its playing, and that as a drawing card it excels Souza's well-known band.

#### JUDICIARY JOINTINGS.

Proceedings Before Two Judges at Term and Chambers.

Kabaola, tried by a native jury before Judge Magoon on Friday, was acquitted of the charge of gambling. He had appealed from conviction in the District Court.

Judge Magoon this morning granted a nolle prosequi in the case of Sasaka, charged with vagrancy.

At chambers today, Judge Whiting granted discharges in bankruptcy to Marcus R. Colburn and Patrick McInerney. The former appeared in person, and the latter was represented by Mr. Kinney.

On Saturday Judge Whiting began the hearing of A. M. Beattie vs. J. F. Morgan, assumptit, the following jury being empaneled: J. W. Robertson, J. M. Tracy, E. F. Bishop, A. Harrison, G. A. Schumann, F. S. Lyman, E. W. Jordan, C. S. Hall, C. L. Brown, C. H. Clapp, Jas. McInerney and E. H. Wodehouse. The defendant's case went on shortly before closing on Saturday, and was resumed this morning. Neumann for plaintiff; Thurston for defendant.

#### Another Dinner to the Consul.

Mr. Takedawa, the representative of the Yokohama Specie Bank in this city, gave a dinner at the Hawaiian Hotel on Saturday evening in honor of Consul-general Shimamura, at which a number of Japanese gentlemen prominent in diplomatic and mercantile circles were present. Paul Neumann and A. V. Gear were also present.

The U. S. treasury statement on November 8 shows: Available cash balance, \$179,076,967; gold reserve, \$92,818,037.
